

## Technical Data Sheet.

# Permaloid® Silicone Remover 7010

High-quality silicone remover for plastic parts and conventional paint materials

Permaloid Silicone Remover 7010 is a mixture of slowly-evaporating organic solvents, and is primarily used to remove oil and grease residues on metal and plastic.

- Achieves an anti-static effect on plastic parts.
- Contains mild solvents.
- Storage is straightforward thanks to a higher flash point.

For professional use only!
